**Topic:** Eradication of Poverty.

The General Assembly, reminding all nations of the recognition of world hunger and poverty beginning when the Universal Declaration on the Eradication of Hunger and Management was passed in 1974 at the annual World Food Conference.

Taking into account that there will be 9 billion people living in the world by 2050,

Deeply concerned by the fact that there are 1.2 billion people living in the world on less than \$1.25 a day,

We are fully aware that 1 out of 5 of the UK's population is living below the official poverty line experiencing life at the daily struggle.

1. Encourage that shelter should be built for people who do not have for themselves;
2. Further recommends to have free education and vaccines in the shelters to prevent poverty in their future lives;
3. Affirming all children will be taken care of inside these shelters with food and all nutritious items;
4. Reminds we will create a website to raise money to make the shelters in which people will be living inside these shelters;
5. Calls for the creation of more public schools.
