MMUN Returns to China!

New York City, New York-- Montessori Model UN is pleased to announce that it will host a new China International MMUN in Hangzhou, China October 2-8, 2017. The conference will be in collaboration with The People's Government of Hangzhou Xiacheng District.

Housing and Committee sessions will be at the famous Blossom Water Museum Hotel, a beautiful five-star hotel and leading conference center. Opening and Closing Ceremonies will be at the Grand Hall of Zhejiang Province, pictured above.

To encourage student participation, the The People's Government of Hangzhou Xiacheng District is significantly subsidizing student attendance. This is an incredible opportunity for your students to participate in a special MMUN Conference and to explore some of the wonders of China with subsidized pricing for students, teachers, parents and chaperones. The subsidized conference fee of \$695 per person includes:

- Conference registration
- Hotel accommodations in twin rooms at Blossom Water Museum Hotel for 6 nights and 7 days
- All meals for 6 nights and 7 days
- Airport shuttle service from and to Shanghai and Hangzhou airports, and
- A 2-day tour of the historic city of Hangzhou, the capital of Chinese art, medicine and culture. Hangzhou is also the host city of the West Lake, a UNESCO World Heritage Site.

These discounted fees are available for 300 non-native Chinese students. To ensure a committed student population, MMUN is asking schools interested in being a part of this special opportunity to apply first by sending an email letter answering two questions:

1. Why do your students want to attend the MMUN China Conference?

2. How will your students contribute what they learned at the conference on their return home? Please include quotes or written statements by your students.

Applications are accepted until April 1st, which is the date for online registration to be opened. Applications must be sent by email to jcunningham@montessori-mun.org
