Topic: “Financing Peacekeeping Missions: War and Disaster”

The General Assembly, *contemplating* war and disaster throughout the world,

Deeply concerned with the expenditure of peacekeeping funds,

Guided by the need for a new peacekeeping mission,

Noting with satisfaction the efforts of the UN,

Recalling previous resolutions and treaties,

1. Encourages 10% of each peacekeeping mission’s budget, which creates \$92 million, be used for the next mission;
2. Urges countries to send military personnel to train local peacekeeping troops;
3. Recommends the Security Council to develop a rigorous assessment system and the corresponding incentives and privileges of member states; and
4. Suggests that remaining \$2 million USD to be placed in an emergency fund when needed by the three missions.

Topic: “Financing Peacekeeping Missions: War and Disaster”

The General Assembly, *aware of* the fact that MINUSTAH has been in motion for thirteen years,

Fully aware that UNMIK and UNIFIL have not fulfilled their mandates,

Having heard that MINUSTAH is closer to fulfilling its mandate,

1. Recommends to take 75% of the money from MINUSTAH’s total cost;
2. Keeping in mind that the mandates that are not completely finished;
3. Requests that 20% health costs to be removed from MINUSTAH’s budget;
4. Further Recommends that 60% of the cost of military and police personnel from MINUSTAH to be decreased; and
5. Authorizes to take away 20% of MINUSTAH’s ground transportation cost.
