

Country Research

My country is: _____

1. Where is your country located? What are the neighboring countries?
2. What are some major events in your country's history? Why are they important?
3. What is the population of your country? Which ethnicities, religions, and languages can be found in your country? What artistic and cultural aspects are typical in your country?
4. What are the characteristics of your country's economy? What are the most important exports of your country?
5. What is your country's gross domestic product (GDP)? How does this compare to other countries in the world?
6. What type of government does your country have currently? Who is the President or leader of your country? What types of ideologies (political, religious, or other) influence your country's government?
7. Which countries are considered allies of your country? Which countries are considered enemies? Does your country belong to any political or regional organizations, such as NATO, the EU, the AU, OAS, OPEC, or others?
8. When did your country become a member of the UN? Who is the ambassador of your country to the UN?
