

Draft Resolution/UNSC/3.0

General Assembly Eighth Committee

Co-sponsors: Plurinational State of Bolivia, People's Republic of China, Arab Republic of Egypt, Federal Democratic Republic of Ethiopia, Republic of France, Republic of Italy, Japan, Russian Federation, Republic of Senegal, Kingdom of Sweden, United Kingdom of Great Britain and Northern Ireland, United States of America, Oriental Republic of Uruguay

*The Security Council, noting with deep concern that the country of North Korea is threatening to bomb the US territory of Guam,*

*Taking into consideration the 162,000 lives that are at risk,*

*Fully aware of the need to take action,*

1. Recommends to take action as quick as possible;
2. Calls upon the evacuation of the population of Guam;
3. Requests donations and build public communities for the society of Guam;
4. Encourages member states to develop anti-bomb technologies for future attacks;
5. Strongly suggest that boats stay away from Guam; and
6. Reaffirms the need for countries to spread awarness about the threat to Guam.
