

## **Resolution GA/2/2.1**

### **General Assembly Second Committee**

**Co-Sponsors:** Afghanistan, Australia, Austria, Argentina, Bahamas, Bahrain, Bangladesh, Barbados, Bhutan, Cambodia, Croatia, Ecuador, Egypt, Great Britain, Macedonia, Slovenia, Solomon Islands, Swaziland, Sweden, Togo, Tunisia, Turkey, Uganda, Ukraine, United States of America, Viet Nam, Zambia, Zimbabwe,

**Topic:** "Eradication of Poverty and other developing issues"

Observing that worldwide 22,000 children die each day and more than 800 million people live on less than \$1.25 a day due to the effects of poverty,

Alarmed of the effects of poverty in many nations and the effects on the country's economy

Keeping in mind that poverty can cause lack of social mobility, poor health, malnutrition, behavioral emotional issues, and other serious problems,

Viewing with appreciation for SDG 1, which is an end to poverty in all its forms everywhere,

Expressing its concern for those living under the poverty line in many nations,

Recognizing all resolutions that have been drafted for the purpose of the eradication of poverty,

1. Expresses its hope that seeding banks and agricultural trade open in poorer countries; this would allow people to trade in their beds and vegetables for other kinds,
2. Encourages countries to help citizens in poverty Financial aid, and giving sufficient minimum wages,
3. Endorses an organization to be created that trains people in poverty to become teachers;
4. Authorizes access to clean water and sanitation by funds and collecting and filtering precipitation;
5. Recommends the creation of an organization to give children who live in poverty, the supplies they need to attend school.
6. Requests that organizations establish programs that export and sell handmade goods from countries in poverty;
7. Stressing the importance for universal health insurance as well as free vaccinations and lowering medicine prices;

8. Further encourages nations to use food stamp programs to end malnutrition;
9. Suggests that countries build skilled acquisition centers,
10. Strongly requests that women and men get paid equally,
11. Emphasizes the need for additional residential infrastructure,
12. Further invites governments to hire public works personnel to ensure that civilians have jobs
13. Drawing the attention to the International Labor Organization (I.L.O.) to teach civilians how to plant, grow, and harvest crops in unused fields to create food and jobs.
14. Further recommends a housing program coupled with a education program
15. Requests upon all member states to fund the eradication of poverty and recommends that member states consult with UN GA 5.
