

## Resolution UNSC/ 1.1

United Nation Security Council

Co-Sponsors: Egypt, China, Senegal, Russia, Italy, Uruguay, United Kingdom, Kazakhstan, Japan, Ethiopia, Bolivia, Sweden, France, Palestine

Topic: "Threats to International Peace and Security by terrorist acts"

The Security Council, recognizing the efforts of all participating states tackling the issue of international terrorism would like to acknowledge the worldwide struggle for maintaining international peace,

Expressing concern that terrorism poses a major threat to both developed and developing nations,

Recognizing the detrimental effects of inadequate education imposing harmful ideologies,

Reaffirming its respect for the sovereignty of states and national values with regard for human rights,

Noting the economic instability and wide disparities of many developing nations,

Recalling all previous resolutions and statements regarding the issue of terrorism and combatting it in the years of: 2001, 2010, 2013, 2016, and 2017,

Stressing the need for all states to participate on regional, national, and international levels,

Reaffirming the importance of taking pre-emptive measures in the event of terrorist attacks,

Acknowledging the vital contributions that informed communities bequeath in preventing terrorism,

1. Encourages individual nations to limit the ability of the populace to purchase and utilize weapons, particularly firearms, by;

- a. Requesting that governments to either add or amend laws concerning gun control;
2. Emphasizes the need to control informal markets and fiscal affairs;
3. Takes note of inadequate border control and proposes these forces be further strengthened
  - a. Through adding military personnel with improved training
  - b. Through improving identification methods
    - i. Approving the utilization of technology for identifying faux documents and undocumented individuals;

4. Expresses the importance of education and its benefits
  - a. Through creating more attainable job opportunities
  - b. Decreasing the susceptibility of the population to fall victim to terrorist ideology;
5. Supports the implementation of undercover personnel in terrorism-riddled territories in order to:
  - a. Expose terrorist affairs
  - b. Detain terrorists in order to question in accordance with the United Nations' interrogation regulations
  - c. Staunch the terrorists' weapon flow
  - d. Create an international database, which all states of the United Nations may contribute to consistently, of known members of terrorist organizations and their known associates;
6. Expresses its hope that technology may be utilized in a way which enhances government abilities to investigate terrorist organizations
  - a. By recalling sub-clause 5d, which authorizes the combination of international intelligence;
7. Encourages states and NGOs to allocate funds to the educational budgets of developing nations, recalling clause 4.
