

## **Draft Resolution 1.1**

### **United Nation Security Council**

**Co-sponsors:** Plurinational State of Bolivia, People's Republic of China, Arab Republic of Egypt, Federal Democratic Republic of Ethiopia, Republic of Italy, Japan, Ukraine, and United States of America

**Topic:** "Threats to International peace and security caused by terrorist acts"

Aware of security is needed for cell phone accounts,

Keeping in mind that people are making illegal passports,

Deeply concerned that there are terrorist to attacks happening,

Deeply concerned that many people do not have proper health care,

Bearing in mind that social media is a way for terrorist to gain information or recruit individuals,

Alarmed by the amount of people who starve because they do not have enough money due to jobs with unfair wages,

Recognizing that not all people can afford education,

1. Recommends that social media is accesible to the police and security intelligence services;
2. Urges to fundraise more money for charities that help poor people so they do not become terrorist;
3. Requests that countries improve border security so no terrorist can get to another country;
4. Recommends that countries increase the amount of security cameras in public areas incase of terrorist acts;
5. Requests that countries start using illegal passport detectors and fundraise for countries that cannot aford them;
6. Recommends everyone should have a password protection for cell phones; and
7. Expresses its hope that the UN will provide money or medical professionals for people that do not have health care.
